

Calaveras, Poemas jocosos. Revivir un genero que pervive en la memoria colectiva y se expresa, a veces, arbitrariamente en la forma y tematica que la caracteriza; recurrir a las primeras calaveras del siglo XIX, o principios de siglo XX con tintes politicos; observar y leer a los poetas contemporaneos y entender las corrientes literarias que la llevan a otros cauces, no es tarea facil. De esa manera, nos permitimos internarnos a sus aguas turbulentas llenas de pasion, mordacidad, ironia, pero sin llegar a la ofensa personal, sino al menos a la intencion de caracterizar a los personajes que aludo, en sus virtudes, buen humor, bonhomia, actitudes y personalidad que les distingue. Mi poemario es un intento por interpretar la personalidad de los poetas, amigos y familiares con ironia sutil pero con respeto.
