

This popular book helps newly married couples build a solid foundation for their life together and avoid traps that can undermine their marriage. With candor and creativity, the book pinpoints over twenty crucial areas of necessary adjustment for each spouse. It offers guidance for communicating effectively, accepting each others faults, enjoying sexuality, getting along with in-laws, building a spiritual relationship, and much more. Since no single approach will be right for all couples, newlyweds are actively involved in finding a solution that works best for them. Valuable exercises help them respond constructively to the complex issues of the early years of marriage.

When Globalization Fails: The Rise and Fall of Pax Americana, Aid for Elites: Building Partner Nations and Ending Poverty through Human Capital, The Content Formula: Calculate the ROI of Content Marketing & Never Waste Money Again, Representations of Childhood Death, Eagle and Sword: The Federalists and the Creation of the Military Establishment in America, 1783-1802,
